HOW TO MAKE A PAPER BAND

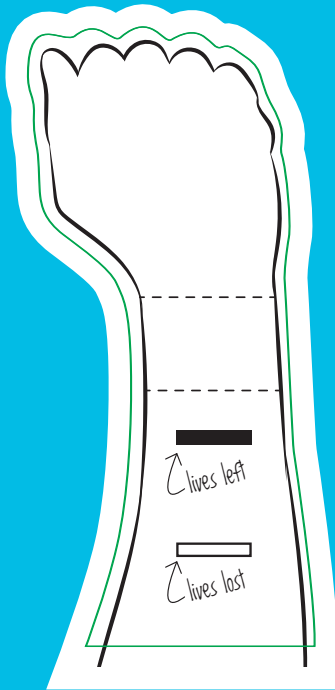

Three horizontal rectangular boxes for writing.

Wrap the paper band around your wrist like a bracelet.

ER

TO BREAK THE CURSE

1)

2) Find out from which of the six positions you can eliminate the most animals with just one boomerang throw: 

3) Find the location where the monkey hid the jewel. This must be in one of his favorite locations: the volcano, the bushes, the tree, the tent, the cave or the water.

4) Check the tattoo on your arm to see how many lives you have left.

Good luck!
Alan
