Our last game is hopscotch.
You can do this on the way to
your father. I'll go first.
Watch carefully how I do it
and step exactly where I step.

THE PATTERN IS AS FOLLOWS:

- She puts two counters in column 3
- You put one in column 3
- She puts a counter in columns 3 & 5
- Your turn
- She puts a counter in columns 2 & 4
- Your turn
- She puts a counter in columns 1 & 4
- Your turn
- She puts a counter in columns 2 & 5
- Your turn

Now it's your turn with another song! This is the boom boom hopperscotch game. The bad man says you must not step next to this because if you do ...
BOOM!!!
Good luck! Ewanahai
